TAMKEEN FIRM

IP & CORPORATE SERVICES

WHO WE ARE

a Libyan boutique firm focusing mainly on corporate, intellectual property and immigration services that has been established by a group of professionals who have a cumulative collective experience of over 15 years.

With a comprehensive understanding of the Libyan market and its legal and administrative procedures aspects, our team is extensively experienced in all incorporation and intellectual property related matters in Libya.

Our firm provides a variety of services to support your operations that include business start-up, opening/managing local bank accounts, providing virtual address, documents legalization, Libyan Visa arrangements and more.

All our team members are fluent in English , very responsive and keen to assist our clients and keep them duly updated throughout the course of our engagement.
